General questions

Q: I appreciate the possibility to participate online at the Virtual Meeting, I wonder how ASMI ensures that online participation will be without issues?

A: The application ASMI offers is relatively new, at least in the Netherlands. In other countries, such as the United States of America and United Kingdom, virtual-only shareholder meetings are more common. ASMI offers the application through third parties that have gathered experience with organizing these virtual shareholders' meetings outside the Netherlands. But even though ASMI has given its best efforts to ensure that shareholders are offered a best-in-market service, it cannot guarantee that shareholders may experience issues that are common to any first generation innovative application.

General questions

Q: Will all upcoming shareholders' meetings of ASMI be in hybrid or virtual form, i.e. open for online and in-person participation?

A: Following the Covid 19 era, ASMI may decide, at its own discretion, for each shareholders' meeting separately whether the possibility of online participation will be provided next to in-person access.

Q: Why should I choose for online participation when I can grant a proxy voting instruction as I did before?

A: When you participate online, you will be able to take into account the deliberations (just before and) at the general meeting before you decide how to vote. If you grant a proxy voting instruction your vote has, in fact, been made before the meeting takes place and you will only be able to change your voting instruction until Close of Registration, Tuesday 11 May 2021, at 17:00 CET.

Q: What will be done with all my personal data which I am asked to provide when opting for online participation?

A: ABN AMRO will process your personal data and adheres to its GDPR policy, which can be found on <https://www.abnamro.com/en/footer/privacy-statement.html>

Q: Are there any rules and conditions set by ASMI that apply to the Virtual Meeting?
